HPFI® Product Again Featured in New Movie

HPFI (High Point Furniture Industries) is pleased to announce that, once again, its products will be included in a major motion picture. The ***Chesterfield Collection*** of traditional reception furnishings will be featured in “**The Other Guys**” a police comedy costarring Will Ferrell and Mark Wahlberg. The film will also feature stars Samuel. L. Jackson, Dwayne Johnson, Eva Mendes, Steve Coogan, Michael Keaton and more.

“**The Other Guys**” focuses on a New York City police precinct where Jackson and Johnson play an elite cop duo — two officers who regularly bust the bad guys, drive fast cars and get the girls — while Ferrell and Wahlberg’s characters considerably less accomplished cops watch from the sidelines.

HPFI operates in two manufacturing facilities in High Point, North Carolina with over 440,000 square feet of manufacturing space. With roots in High Point, the furniture capital of the world, HPFI combines the skill and expertise of seasoned furniture craftspeople with modern day technology to deliver exceptional value to its customers.
