Tables

Meeting

Matrix tables are HPFi's answer to the need for "touchdown spaces." They offer a place to read and respond to emails, texts, social media and voice mail. They also provide meeting space for teams to gather and collaborate on projects. We are often on the move and the technology of our mobile devices allows us to take our work along. **Matrix** will be there when you land!

Two Top Shapes

Rectangular, Tapered

Multiple Sizes

6' and 8' lengths accommodate 4, 6 or 8 people (seated)

24" or 30" deep (rectangular)

24"/36" or 30"/42" deep (tapered)

Two Heights

Counter-height (36") and standing-height (42")

Top Finishes

Choose from our standard HPFi laminate palette with matching 3mm PVC AdvantEdge banding

Base Finishes

Select a matching or contrasting laminate vertical insert or perforated steel in brushed aluminum powder coat

Wire Management

Cutouts underneath the top and the open base design channel power and data to the floor

Power Options
