Sofa Bed

The **Harmony** non-mechanical sofa/bed provides ample seating space for up to three adults by day and a sleeper for one adult by night. The clean lines fit with multiple room styles and decor. Wood legs are available in variety of finishes to blend with outer room furnishings. Simply unfold the back cushion for a comfortable sleep surface. No additional floor space is required as with conventional day beds. Optional wood arm caps to match the legs or anti-microbial polyurethane caps provide greater protection on the top surface area of the arms.

Available with or without two drawers in the base for convenient storage of personal items and bed linens. Drawer fronts are available in a wood grain laminate to coordinate with the wood legs or upholstered. Upholstered fronts can match or contrast with the seat, back and arm upholsteries. Choose up to three different upholsteries from our multitude of fabric, vinyl and faux leather options.

Standard Features:

- Wood legs
- Pillow back unfolds to convert to "mattress"
- Refolding back reverts into sofa

Options:

- Two laminate front drawers
- Upholstered front drawers
- Provides storage for sheets, blankets and pillow
