Nesting Training Chairs

The NexStep collection of seating features the latest in seating materials and contemporary office styles. Featuring breathable mesh backs with built-in lumbar support and fabrics to help you keep your cool. In addition to the nesting chairs, NexStep seating includes executive, management, guest and stacking arm chairs.

The nesting/training chairs have fold-up seats for easy horizontal nesting. Dual-wheel carpet casters and black heavy gauge tubular steel frames allow for ease of movement in training environments. Comfortable padded seats are available with a standard black fabric or choose from our extensive selection to customize your space.
