# Malibu

## Occasional Tables

**Malibu** occasional tables blend classic materials, steel and glass or steel and laminate, to provide unique accents in a wide range of environments and applications. Bases are built with tapered steel legs welded to tubular steel stretchers. Floor-protective caps included on bottom of legs. A powdercoat finish creates a brushed aluminum appearance. Glass tops with beveled edge rest on non-skid standoffs. Laminate tops are 3/4" thick and available in eleven finish options. Curvilinear top shapes (round, oval and demilune) enhance the modern, contemporary style. Malibu provides an excellent complement to Accompany and Eve lounge seating with metal legs.
