Occasional Tables

Marquet occasional tables bring unique marquetry design to a wide range of reception, lounge and office environments. Influenced by the history and craftsmanship of traditional marquetry, **Marquet** table tops feature a unique pattern with cherry, walnut and maple veneers carefully selected, cut and spliced in traditional fashion. Full-fill finishes create depth and clarity, enhancing the warmth and beauty of wood. Choose Honey Cherry or Mahogany. Catalyzed lacquer top coat increases hardness and durability of wood finishes. Table tops feature concave shaped edges. Tapered, fluted leg design offers light, elegant scale.
