Meeting / Collaborative Seating

The **Orbit** chair is a great addition to the HPFi lounge seating offering. Its classic design fits the modern day demands of the collaborative work or learning environments. Its one-piece, molded plywood construction offers a 20 degree back angle for optimum comfort.

The non-tilting seat mechanism offers a full 360 degree swivel and a 5" height adjustment range. Adjustable floor glides ensure smooth, level operation on any floor surface.

Meets or exceeds ANSI/BIFMA standards. Limited lifetime warranty.
