## HYPERWORK EDUCATION

Cubby storage modules are designed to create perimeter storage and auxiliary seating within the classroom. Cubby storage is offered in 1- and 2-tiers heights perfect for k-4 and 3- and 4-tier heights ideal for elementary and middle schools.

Cubby storage units and lockers can be adapted to the specific needs of individual classrooms by adding doors to conceal or secure personal items. The addition of shelves transforms the storage area into bin or tub storage for younger students.

	Model #	Description	W x D x H	Zone 1	Zone 2	Zone 3
