HPFi[®] Introduces Orbit Meeting / Collaborative Seating

HPFi (High Point Furniture Industries) is pleased to announce the latest addition to its portfolio of collaborative seating. **Orbit** features a slim molded wood frame for an overall sleek appearance. It is available with adjustable floor glides for use as a stationary chair or casters for mobility and use in a meeting or open lobby space.

Orbit features a non-tilting seat mechanism that offers a full 360 degree swivel and a 5" height adjustment range. The adjustable floor glide model ensures smooth, level operation on any floor surface.

“**Orbit** offers an HPFi classic design that fits the modern day demands of the collaborative work or learning environments” said Doug Gaines, Vice President of Sales for HPFi.

Orbit chairs will be available for shipment by mid-July, 2018.

HPFi operates a 4,100 sq. ft. showroom and two manufacturing facilities in High Point, North Carolina with over 400,000 square feet of manufacturing space. With roots in High Point, the furniture capital of the world, HPFi combines the skill and expertise of seasoned furniture craftspeople with modern day technology to deliver exceptional value to its customers.
