HPFI® Sustainability Video Online

HPFI® (High Point Furniture Industries) is pleased to announce the latest addition to its library of online marketing tools. A new video has been produced related to the company's sustainability efforts.

This sustainability video covers the environmental certifications which HPFI has achieved such as BIFMA X7.1 Furniture Emission Standard and e3 (level®) Furniture Sustainability Standard. It is available on the HPFI web site along with product-specific videos for reception seating - such as Eve Collection, High Street, and Unos - Harmony sofa bed, day bed and sleeper chairs Haley patient recliners, Hannah treatment recliners and Praxis casegood series.

There are also overview videos for each of the manufacturing facilities as well as for the HPFI corporate showroom. The videos will be available through the company's web sites at www.hpfi.com and at www.hpfimkt.com.

HPFI operates in two manufacturing facilities in High Point, North Carolina with over 440,000 square feet of manufacturing space. With roots in High Point, the furniture capital of the world, HPFI combines the skill and expertise of seasoned furniture craftspeople with modern day technology to deliver exceptional value to its customers.
