

# Healthy Workplaces

Eve club seating with tablet arms allow flexible distancing within meeting groups.

# Space

## Comfortable and healthy at work or school

In open community spaces it is important to allow small groups to gather while managing appropriate healthy distances. Furniture can define and promote healthy gathering spaces.

Furniture placement can guide healthy behavior by creating safe spaces for work and school environments.

Mobile Team boards functionally divide office spaces.

## Function and Flexibility

Study or work uninterrupted by distractions and quiet by design; Eve Harbor, shown paired with Parsec tables and Flex ottomans, is available in widths ranging from 25 - 70 inches wide.

### Mobile Teaming Boards

Mobile teaming boards provide functional space division with 2-sided whiteboards.

### Genesis Team Seating

Mobile lounge club seating featuring storage compartments under each individual seat.

### Eve Lounge Seating

The sleek lines of Eve Lounge provide a contemporary solution to collaborative work space, waiting areas and lobbies when more privacy is needed. The Eve Collection offers club chairs with tablet arms, 48-inch high back panel options, pinwheel privacy seating groups and panel wrapped lounge seating.

### Parsec Tables and Flex Ottomans

Parsec pull-up tables paired with Flex ottomans allow workspaces to arise and reconfigure anywhere and everywhere.

### Power Options

Select from the numerous options in the PowerFlex line for a variety of 110-volt, active USB and data ports available on select models. See price list for availability.
