Modular Lounge Seating

Nexxus is an innovative, modular commercial-grade seating line designed to meet the changing needs of today's businesses and campuses. Seating modules are available with a standard or banquette height back and single-, double- or triple-wide. Nexxus provides the versatility you need to create the ideal environment for your clients, guests or students. Whether creating a cozy waiting area or a functional workspace, Nexxus has the style and flexibility to meet your needs with the ultimate in comfort and functionality.

Nexxus

Added Function

Nexxus offers a wide range of options, including seating with storage cubbies in the base. Combined with benches and tables, Nexxus is the perfect solution for any space. Fully upholstered bases on all seating and table options are available with multiple seating and table combinations. Hybrid soy-based, CFC-free foam is used in all upholstered seats. Seating modules are offered with or without built-in storage space for personal items and non-marring adjustable floor glides.
