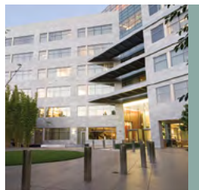
Matrix

Touchdown Tables

Matrix tables are HPFi's answer to the need for "touchdown spaces." They offer a place to read and respond to emails, texts, social media and voice mail. They also provide meeting space for teams to gather and collaborate on projects We are often on the move and the technology of our mobile devices allow us to take our work along. Matrix will be there when you land!



Spencer

Meeting Tables

Spencer tables are a new twist on the classic sawhorse base style. As on all HPFi tables, these tables feature high durability AdvantEdge 3mm PVC edge banding on the thermally fused laminate tops. Spencer tables are a perfect companion to Eve and Accompany lounge furnishings, particularly the Eve Harbor privacy seating models. Desk height tables with or without casters, for easy mobility create a stylish meeting or training solution in the commercial or home office.

Hyperwork

Meeting Room Furnishings

Complete your meeting room with a mobile lectern, buffet credenza options with ample storage, cabinets for coats, video and more. Meeting tables come in multiple sizes and shapes including expandable tables which allow you to extend table sizes in 48" increments as the need for meeting space grows and features a cross-grain pattern on woodgrain laminates to eliminate matching issues.

Duality

Training Tables

Duality tables feature a tilting top that allows them to be nested for compact storage. Casters provide ease of movement and placement - pull them out and set up as needed, tuck them away when the meeting is over.

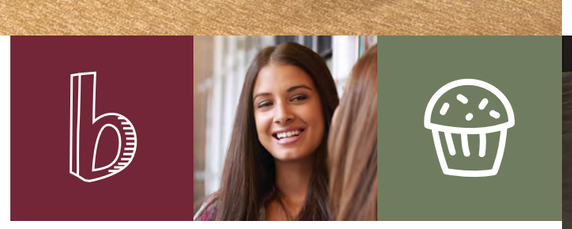
Breakroom Tables and Seating

The Milan Bistro collection is the perfect solution for break rooms, cafeterias, dining areas and anywhere you need a place to meet and eat or drink. A variety of top options designed to match other HPFi® furnishings combined with heavy duty steel bases create an ideal environment - seated or standing! Combine with Milan Bistro Seating or Tone Chairs, Rokkitt or Flex stools and you will have an instant reception area or sidewalk cafe.

Milan



Boost

Table/Desks

Boost are motorized adjustable height tables. Work surfaces adjust for easy transition from sitting to standing positions. Available in centered "T" or cantilevered "C" steel leg options with adjustable floor glides to compensate for uneven floors. Single stage leg models adjusts from 28" - 47" overall table height and dual stage leg adjusts from 25" - 49" overall table height. A simple up/down switch is standard or select the optional programmable switch to set height preferences.
