Mobile Storage for Education

Hyperwork Education Mobile Bookcases offers a contemporary approach to your shelving needs in libraries and media centers. Available in either single-sided or double-sided shelf storage models, these mobile bookcases bring book and media storage off the wall with style and flexibility.

Hyperwork Education Mobile Bookcases are shipped fully assembled which means no assembly is required. They are constructed using .75" thick thermally fused laminate (TFL) throughout and finished with durable AdvantEdge edge banding.

Any dimensions listed are width/depth/height overall. Reference current HPFi Price Book for complete descriptions. Specifications subject to change without notice.
