Haley Comet

Healthcare Seating Recliner

Take a ride on the **Haley Comet!** The motor-assisted mechanism offers a smooth recline and return with infinite stop positions. Ideal for hospice and patient recovery when strength is at a minimum. Comfort and versatility have been incorporated into the **Haley Comet** recliner from the ground up. Recovery has never felt so good.

Designed by IHDG

Standard Features

- Four heavy-duty central braking swivel casters controlled with three position pedal located on left side facing:
 - Green – One rear caster restricted to straight line for easy patient transport
 - Neutral – All casters swivel for maximum maneuverability in restricted space
