Eve 60° Banquette

Seating

Lounge

The **Eve** 60° Curved Banquette offers comfortable seating for small groups to gather for impromptu meetings. Perfect for creating small meeting spaces for casual gatherings. Ideal for classrooms, conference rooms, lounge or open atrium areas. Makes spaces more useful and suitable for collaboration.

Add the optional 1" thick shelf on the outside of the back to create an additional casual meeting area. At 42" (counter height) from the floor, the shelf is perfect whether standing or sitting on an HPF*i* **Flex** tall ottoman or **Milan** bistro stool.

As with all HPF*i* upholstered seating, enhance the appearance by using multiple upholsteries. Use a durable and resilient material for the seat while making a style statement on the back.

Shelf Finishes

Choose from our standard HPF*i* laminate palette with matching 3mm PVC AdvantEdge banding.

Power Options

110-volt/Active USB center modules can be placed on the front of the seat, in the side of the seat or back, or in the outside of the back above or below the optional shelf. Select from a wide variety of PowerFlex 110-volt and active USB options.

Meets or exceeds ANSI/BIFMA standards. Limited lifetime warranty

Designed by IHDG

All HPF*i* seating available in several finishes and upholstery options at industry-leading Quick Ship lead times. Dimensions listed are width/depth/height over-all. Reference current price list for complete descriptions. Specifications subject to change without notice.
