The **Eve** Mobile Club Chair is a new addition to the **Eve** lounge seating collection. Its mobile design allows it to be placed where needed for impromptu or casual meetings. The laminate back panel features a flip-up shelf for use with mobile devices, writing surfaces or beverage holders. Simply lift the shelf, lock into position and pull up an ottoman or stool to increase seating space.

Use the **Eve** Mobile Club Chair in meeting and training rooms, lounge areas or common spaces. It is the perfect solution for student union facilities.

As with all HPFI upholstered seating, enhance the appearance by using multiple upholsteries. Use a durable and resilient material for the seat while making a style statement on the back.
