Flex Mobile

Seating

Mobile Lounge Seating

Flex was designed for casual gatherings and making perimeter spaces useful for collaboration. In the "new normal" of providing meeting space with safe physical distancing HPFI offers Flex Mobile.

Flex Mobile features twin-wheel, locking casters in place of the glides for greater flexibility in moving and reconfiguring seating and meeting spaces.

Product Details

- Twin wheel, locking casters for mobility for carpet or hard floor surfaces
- Fully upholstered with double-needle trim on seat, back and arms to reinforce sewing
- Available in textile or coated fabric upholstery in a single or two-color combination
