# Scoop

## Wood Arms/Base

Enhance any **Scoop** model with the natural beauty of wood. Choose from several wood finishes and coordinate with HPFi casegoods. Wood arms are formed to shape. Five-star bases feature metal structure with wood caps.

## Black Arms/Base

Complement contemporary environments with **Scoop** seating in black. Lightly textured, urethane arms offer scratch resistance. Nylon-reinforced, five-prong base includes dual-wheel carpet casters.

**1077** Management Swivel,  
Black Arms/Base

**1003** Arm Chair,  
Wood Finish

## Multiple Seating Unit

Excellent for waiting areas, **Scoop** guest chairs can be pre-configured (up to 4 chairs) using a common arm design, resulting in maximum seating in minimum space. Multiple seating units ship assembled.

Designed by IHDG

Available in several finishes and upholstery options on the NOW Accelerated Response lead time. Any dimensions listed are width/depth/height over-all. Reference current price list for complete descriptions. Specifications subject to change without notice.
