Occasional Tables

Malibu

Occasional Tables

Malibu occasional tables blend classic materials, steel and glass or steel and laminate, to provide unique accents in a wide range of environments and applications. Bases are built with tapered steel legs welded to tubular steel stretchers. Floor-protective caps included on bottom of legs. A powdercoat finish creates a brushed aluminum appearance. Glass tops with beveled edge rest on non-skid standoffs. Laminate tops are 3/4" thick and available in eleven finish options. Curvilinear top shapes (round, oval and demilune) enhance the modern, contemporary style. **Malibu** provides an excellent complement to Accompany and Eve lounge seating with metal legs.
