Collaborative Pull-Up Table

CHARACTERISTICS

Parsec tables are a perfect complement to support collaborative work and school tasks. Pull this auxiliary work top close for a temporary writing surface or support of mobile electronic devices. The low profile base allows the table to be used with **HPFi** lounge seating series. **Parsec** is an ideal companion for the Flex collection of tiered, ottoman and lounge seating.

The gently curved top is 1" thick and features a 1.5" waterfall radius edge for optimum comfort. The **Parsec** work surface also features a sweeping radius on all the front and rear for a unique shape and a generous 18" x 12" work area.

The upright post is offset on the steel base, but also has a gentle arc towards center to offer maximum access while seated.

CARE AND CLEANING INSTRUCTIONS

Normal cleaning: Clean using a soft cloth and a good window cleaner which contains no ammonia, followed by wiping dry using a dry soft cloth.

Specifications subject to change without notice.

Any dimensions listed are width/depth/height overall. Reference current HPFi Price Book for complete descriptions. Specifications subject to change without notice.
