Trados Metal

Seating

Breakroom · Guest · Reception

Trados Metal guest seating collection features a triarc arm design enhanced by a smooth silver finish frame. This elegant yet sturdy chair can be further enhanced by the addition of optional wood arm caps in ten (10) finishes or in an anti-microbial urethane arm cap.

Steel cross braces and heavy gauge steel frame construction provide a 350 lb. capacity in the guest and patient chairs, the settee and bench. Bariatric models also include steel cross braces in the back with a standard weight capacity of 500 lbs. and options to extend capacity to 750 lbs. or 1,000 lbs.
