Trestle

Seating & Tables
Collaborative

Trestle – where timeless design meets modern functionality. Crafted with precision, this collection of seating and tables capture the essence of classic photography tripods, reimagined for your work space. Each piece boasts rich, natural woodgrain and wooden tripod-inspired legs for a touch of vintage charm.

You will appreciate the exquisite craftsmanship even if you are not a photography enthusiast. **Trestle** seating and tables add a touch of sophistication to any campus, educational, workplace or healthcare. Elevate your space with this exceptional collection today.
