7421 Cylinder Table
7420 Coffee Table
FM Natural Maple
Momentum Avenue Carbon

Modular lounge seating allows design flexibility to create unique configurations, adapt to building layouts and maximize seating capacity. Choose from 12 seating/table components. Approach benches (7300 Series) from either side in open areas. Units with backs (7400 Series) provide full-comfort seating. Freestanding and ganging tables are available in various shapes and sizes.

Specify ganging kits to connect units and ensure stability.

Built For Business
The two-tier base design creates heavy-duty frames matched with reinforced joints for long-term use. High pressure laminate (HPL) sides and tabletops resist moisture, stains and scratches. Plinth base is recessed to reduce scuffs from heels and features a textured, black vinyl surface that resists scratches from cleaning equipment, shoes, etc. Limited lifetime warranty.

Color Flexibility
All models are available in three standard high pressure laminates: Natural Maple, Cocoa Maple and Sterling Ash. Additional laminates are available; see price list for details. Choose from an extensive selection of upholsteries or customer's own material (COM).

Designed by IHDG

Dimensions listed are width/depth/height over-all. Reference current price list for complete descriptions.
Specifications subject to change without notice.
