We believe seating can, and should, combine both form and function. For **Claudia**, the special emphasis is on the form. Take a seat and your arms will naturally fall into the gently undulating contour of the fully upholstered arms. The cushions are plush and supportive so that waiting goes from a "chore" to a "pleasure." Polished aluminum legs add just the right amount of sparkle and visual interest.

A round top table and oval tables in three version - floating laminate top, flush laminate to and fully upholstered - offer a variety of configurations for lobbies, collaborative areas and open area seating.
