Seating

Fun in the Sun Ottomans

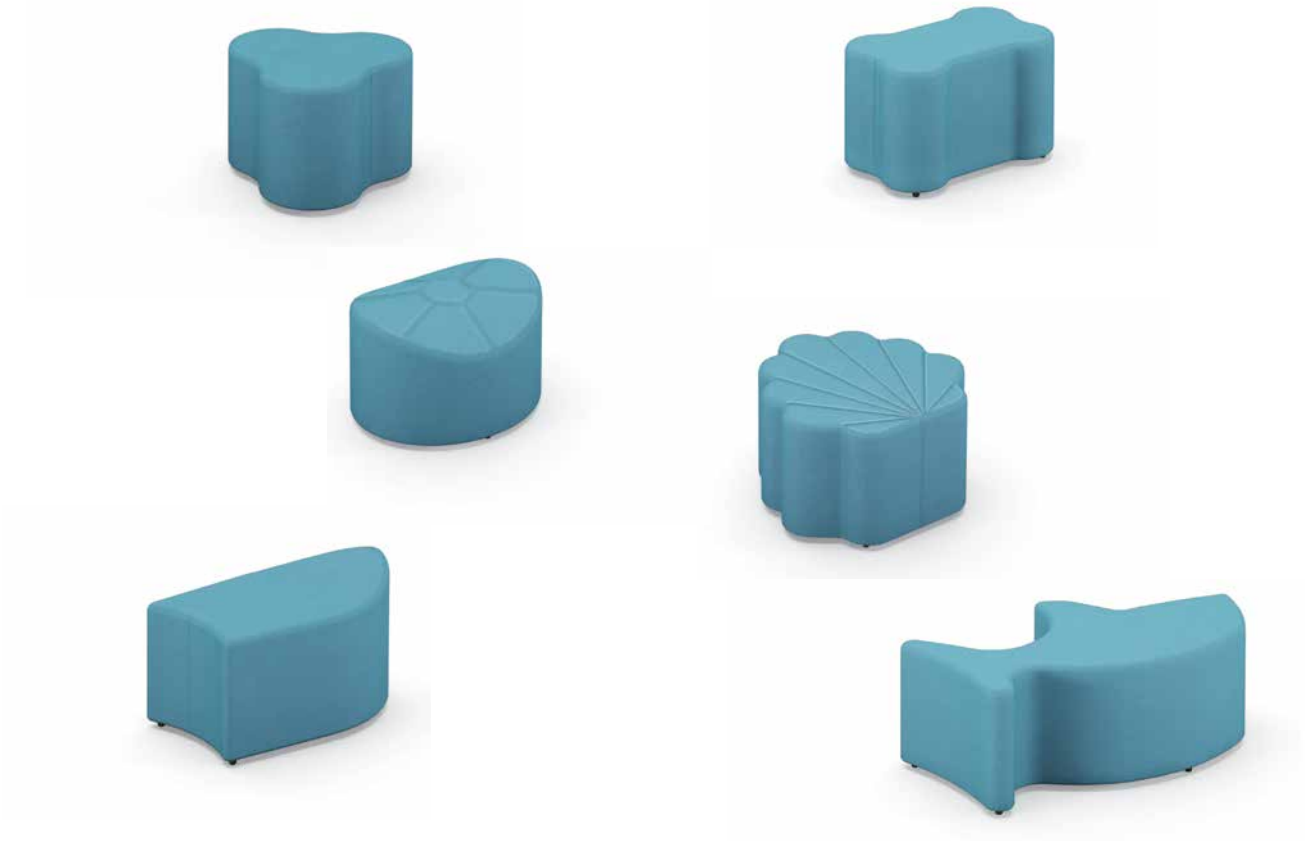
The Fun in the Sun collection of Flex Ottomans offer several fun shapes to make any K-4 classroom or collaborative area more fun. It's a great way to add extra fun seating to any space.

Spice it up even further with bright fabrics or combinations of fabrics to create colorful seating in children's areas.

Choose water-related shapes including seashell, shark, sea turtle and boogie board or from the land-based 3-leaf clover and dog biscuit.



Made in America Products | High Point, North Carolina
