A table made to fit any size space. Start with a two-piece table, 8′ in length. Then add as many 4′ extensions to achieve your desired size - 12′, 16′, 20′ - whatever your space allows. Assembly and addition is simple. Choose from two styles to fit your decor.

Hyperwork series style with 1″ thick thermally fused laminate tops, balanced construction with fully laminated backer. A durable 3mm AdvantEdge PVC edge banding ensures long life. Boat shaped top with straight slab legs in a variety of finishes.
