Matrix

Tables
Meeting

Matrix tables are HPFi's answer to the need for "touchdown spaces." They offer a place to read and respond to emails, texts, social media and voice mail. They also provide meeting space for teams to gather and collaborate on projects. We are often on the move and the technology of our mobile devices allows us to take our work along. **Matrix** will be there when you land!

Multiple Sizes
6' and 8' lengths, 24" or 30" depth, rectangular tables easily accommodate 4 to 10 people; 36" and 42" diameter round tops also available

Two Heights
Counter-height (36") and bar / standing-height (42")

Top Finishes
Choose from all the HPFi standard laminate palette, each with matching 3mm PVC AdvantEdge banding

Base Finishes
Select a matching or contrasting laminate; Vertical laminate insert or perforated steel in brushed aluminum powder coat (rectangular top models)

Wire Management
Cutouts underneath the top with the open base design channel cabling to / from the floor in rectangular top models

Power Options
Select from a wide variety of PowerFlex 110-volt and active USB options

Meets or exceeds industry test standards. Limited lifetime warranty

Any dimensions listed are width/depth/height overall. Reference current HPFi Price Book for complete descriptions. Specifications subject to change without notice.
