

# Central Locking Wheels

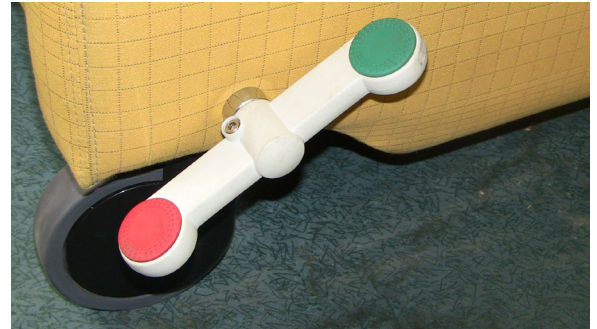

**Haley Recliner / Hannah Patient Chair**  
**Central Locking System**

HPFi

## Position 1 - Lock to Prevent Movement

Press Red pedal down to lock rear wheel.

## Position 2 - Pedal Flat (Horizontal) (for Swivel / Positioning)

Neither Red nor Green Pedal is down. This allows all 4 wheels to swivel freely.

## Position 3 - Transport Position

Press Green Pedal down to lock one (1) wheel from swivelling freely.
