

The **Orbit** chair is a great addition to the HPFi lounge seating offering. Its classic design fits the modern day demands of the collaborative work or learning environments. Its one-piece, molded plywood construction offers a fixed back angle selected for optimum comfort.

The non-tilting seat mechanism offers a full 360 degree swivel. Adjustable floor glides ensure smooth, level operation on any floor surface. Enhance collaboration with the "orbiting" tablet that travels up and down with the seat and also swivels 360 degrees for right- or left-hand use.

The upholstery selection is more critical due to the unique design of the **Orbit** chair. The following fabric patterns have been successfully tested for use on **Orbit**:

- Dorset (Grade 1)
- Fedora (Grade 2)
- Blip (Grade 4)
- Faux Felt (Grade 6)
- Haven (Grade 9)

## Swivel Chair
