MEETING TABLES - SIN 33721

## The Answer for "Touchdown Spaces"

Matrix tables are HPFi's answer to the need for "touchdown spaces." They offer a place to read and respond to emails, texts, social media and voice mail. They also provide meeting space for teams to gather and collaborate on projects. When we are on the move taking our work or school projects along - Matrix will be there when you land!

### Assembly

- Tables ship with top and base(s) in separate cartons
- Assembly is quick and easy by attaching bases to tops with bolts or screws provided

### Finishes

- Select a color combination with contrasting top and base, or choose monocolor for same top and base
- Monocolor models use a single finish designator

### Wire Management

- Add 2.5" diameter grommets for extended wire management capability

### Edge Profile
