

May 15, 2025

Dear HPFi Business Partner,

Due to rising costs in materials and operations, we will be implementing a 4% price increase effective July 7, 2025.

In addition, we will be implementing the following change to our Prepaid Freight Policy: Orders of less than 750 lbs. will be assessed a minimum freight charge of \$175.

These changes ensure that we can continue to provide the quality products and services you expect. We truly value the partnership we've built with you and appreciate your continued trust in us.

We remain committed to supporting your needs and growing together. Thank you for being a valued part of the HPFi community.

Sincerely,

Jerry Samet
President
