Harmony

HEALTHCARE DAYBEDS/SLEEPERS

Overnight Comfort

Harmony is the ideal answer for an overnight, comfortable stay in a patient room. Day Beds are available in three widths to accommodate most rooms. The full size version of Harmony provides an adequate sleeping space with room for two adults. The Sleeper Chair seat extends with a pop-up "ottoman" from underneath the seat. The back cushion flips down to provide a pillow/extended sleep surface. Also a great solution for teacher's and employee lounges where a temporary sleep surface is required.
